## Acrostic Poetry

Write an acrostic poem linked to the theatre.

The word should be written down the page then each letter starts the line.

For example:

**T** he space where our imagination flies  
**H** appy, sad, comedy or tragedy  
**E** ntranced we sit spellbound.  
**A** ctors weave their magic  
**T** hen cast us back into the real world  
**R** icher for the  
**E** xperience

You could use words such as play, actor, performance, pantomime.

Have fun playing with the words!

Can you think of any other acrostics you might want to create.

You could make one about your family, or perhaps something you love doing, like gymnastics or dance.
